Ider Football Players & Parents:

The 2010 football season will be here before you know it. We have a great group of kids working hard in weight room and they know the expectations are high after the success we experienced last season. It is exciting to be an Ider Hornet with all the great opportunities ahead of us.

I hope everyone realizes how big of a factor that the off season program is in football. That is why we have certain requirements for our players each year. These are activities we feel are necessary for our success.

1. All players in 9th-12th are required to participate in spring practice. This is when we try to implement all of our basic fundamentals and plays. We continually build from this point.
 2. All players in 9th-12th are required to attend a minimum of 15 summer workouts. There are 21 opportunities so this gives plenty of room for vacation. Our goal is to be as close to perfect as possible. The 7th & 8th are welcome at all of our workouts.
 3. All players in 9th-12th are required to attend summer camp. This is actually the beginning of our fall practice.
 4. Fundraising Requirements- 9th-12th
 - A. \$200 Minimum
 - B. \$250 Free (T-Shirt, Shorts, Bag)
 - C. \$350 Free Sweats
- 7th-8th
 - A. \$100 Minimum
 - B. \$150 Free (T-Shirt, Shorts, Bag)
 - C. \$250 Free Sweats

We make this very simple by giving the players several ways to raise the funds.

- Drink Sale: Feb. 25- March 11
- Sponsorship Program: April 26- Aug. 13
- Sign Sales: April 26- Aug. 13
- Gospel Singing: May 1
- Cow Plop: June 29- Aug. 13
- Credit for Saturday workdays in the summer

Please help us make fundraising as painless as possible by doing your part.

Thank you,

Brent Tinker
